1. Please review the checklist below before submitting your application. Incomplete applications from new vendors will cause a delay in response and may disqualify you from consideration: make sure your application is complete.
2. Pawtuxet Village Farmers Market makes a careful review of the product list from all applicants. New vendors are selected on their ability to offer new local products or unique products that will generate demand with customers. For non farm vendors, priority will be given to those vendors who utilize local farm products.
3. An application is only complete when submitted with a specific product list containing the products you plan to produce and sell at the market. The list will be kept on file and shared with all participating vendors. Submit the product list on a separate sheet of paper, with the type of products you plan to produce* and sell this season. All vendors (new and returning) are subject to a scheduled farm or site visit in order to confirm product list with current crops.

*Farmers must include the approx. # of plants and the approx. # of plantings planned for each crop.
4. New products may **not** be offered to sell at the market once your product list for the upcoming season has been approved. If there is a new product that you would like to produce, the addition must be reviewed and approved by the market committee.
5. Please provide a copy of your Liability Insurance. This must be current and show the year of coverage within which the current market season falls.

6. Please include a copy of your current Permit to Make Sales at Retail Certificate, which is renewed annually in June. Visit www.ri.gov/taxation/BAR/ for information on this form.

7. Any prepared or processed foods and drinks must show proof of RI Health Dept. certification for the facility in which the product was prepared. Please include a copy of your DOH certificates with your application.

8. If you are certified organic, please provide a copy of your certificate with this application. *Note: only farmers with USDA Organic certification can use the word "ORGANIC".

9. Please print a copy of market rules and sign the signature page to acknowledge the agreement to participate. **If you have employees running your market booth it is your responsibility to make sure they have read and understand the market rules.**

10. 2021 Pawtuxet Village Farmers Market runs for 26 weeks from Saturday, **May 1, 2021** until Saturday, **October 30, 2021**. Market hours are **9am – 12pm**.

11. For non-requested absences or emergencies, please call or text the Market Manager, Jess Watts, at 401-450-8358 as soon as possible.

12. The market committee is most interested in new vendors that can commit to a full season; however, certain businesses may have circumstances that require attending for less than the full 26 weeks. For these part-time vendors, there are different fees for each market.

Required fees:

- **\$50.00** application fee (will be refunded if not accepted to market)
- **\$988.00** Stall Fee (26 weeks x \$38)
- New Full Time Vendors: 50% of the balance (**\$494**) is due by April 30, 2021.
NOTE: VENDORS WILL NOT BE ALLOWED TO SET UP AT THE MARKET UNTIL FEES ARE PAID.

Remaining balance (**\$494**) is due July 31, 2021. (Returning Vendors: 1st installment due June 1; balance July 31)

- Part Time Vendors: Minimum Stall Fee: **\$425**. Monthly Vendor Fee is **\$240**; must commit to 6 market dates. Full payment is due on April 30.
